Subject: Statistical reports of fishery operations.

North Coast Packing Co.,
316 Second Avenue, S.,
Seattle, Washington.

Gentlemen:

There is inclosed herewith a circular notice of recent date with reference to the accuracy of information to be furnished on the statistical reports required of all fishery operators in Alaska.

In this connection your attention is called to the fact that on the report submitted by you for your Ninilchik cannery the localities from which salmon were secured in the past season were not stated.

It will be of the greatest assistance to this Bureau and render its statistics of greater value to the industry if all operators will cooperate in this work. Your attention to this matter will be appreciated.

Very truly yours,

Lewis Radcliffe.

Acting Commissioner.

Inclosure.
